6 Ways to Pray for Your Kids

by Brenda L. Yoder, LMHC

1 Preventative prayers: Pray for what you hope to see fulfilled in your child's life.

2 Specific need prayers: These are the big and small decisions of daily life. God cares about these.

3 Praise and thanksgiving prayers: In times of waiting for God's answer to prayer, praise God for who he is and what he's doing even when you don't see it.

4 Scriptural prayers of promise: Praying scriptural blessings offers back to God his truth and desires for your children.

5 Intercessory prayers: Intercede and petition on your child's behalf in a persistent, steadfast manner. Remind God of your child's needs.
